MEMORANDUM FOR: [REDACTED]
Chief, Contracts Management Division
Office of Special Activities

SUBJECT : Delegation of Contract Authority
to Office of Special Projects

This will confirm conversations regarding an OSP request for a direct delegation of contract authority from the DCI to the contracting officer in OSP. Although I have recommended that the document be processed in its present form, the Executive Officer, DD/S&T, prefers to consider the matter at greater length before presenting the paper to Mr. Duckett for signature. He, therefore, asks that an interim amendment be issued to the present delegation extending it for a period of sixty days without change in form. The current delegation of contracting authority from you to [REDACTED] expires 31 December 1968. As soon as a decision has been made on this matter, we will be back in touch with you regarding future action on this matter.
